

# Solutions for Material Recovery Facilities (MRFs)

*Marathon's Recycling Solutions Group is a premier provider of creative answers for today's recycling, solid waste, and material handling challenges.*

## MRF Design & Equipment

Through innovative products, industry expertise, and superior service, Marathon Recycling Solutions is the partner of choice for businesses and municipalities who need to quickly and efficiently process solid waste and recyclables.

Whether you process 10 tons of recyclables per day or 150, Marathon has the equipment and expertise to help you design the most efficient and cost-effective process for your Material Recovery Facility or recycling center.

Our products are leading the way in productivity and throughput, and our skilled engineers can assist you in designing the right size system for your needs. We will be onsite through installation and startup to ensure you achieve the desired results.

To begin designing a MRF for your business or community, or to expand the capabilities of your existing recycling program, contact Marathon Recycling Solutions at **800.633.8974**.

Marathon's highly efficient horizontal and vertical balers deliver the highest compaction rates and cleanest bales possible for maximum return.

Choose from custom-configured conveyors, separating equipment, sorting platforms, and storage areas to process plastics, OCC, ferrous materials, aluminum, and paper.

Through Marathon's financing and leasing program, qualified buyers can finance up to 100 percent of their equipment purchase, with terms of 18 to 84 months.
