MODEL D6025b: CYLINDER TIPPER-BAR CART LIFTER

The D6025b offers heavy duty construction combined with a simple cylinder design, ensuring reliable lifts throughout the life of the lifter. The sliding lower latch feature allows this unit to have a high ground clearance. Additional benefits include powder coated finish, plastic upper saddle, and a one year warranty.

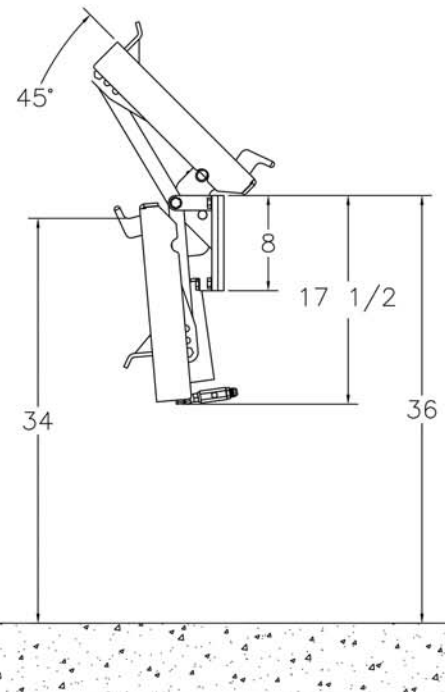

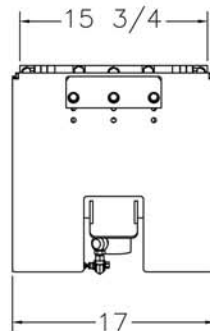

The performance you demand requires a serious machine with all the refinements that you've come to expect from the leader in the waste handling industry.

- ◆ Featuring durable modular construction that simplifies repairs
- ◆ Adjustable position saddle and latch allows varied mounting heights
- ◆ Cylinder operated, less expensive and easy to rebuild
- ◆ Designed with few moving parts
- ◆ Plastic bearings and slide requires no grease
- ◆ Plastic hooks handle your carts gently
- ◆ New wider faceplate and latch offers superior cart stability

Specifications

- Fully compatible to ANSI Type B carts
- Mounting height is adjustable at positions 36", 37", 38" & 39"
