## MODEL D6064: PNEUMATIC FRONTLOADING LIFTER

Do you have a rural commercial route with a few residential carts mixed in? Don't send two trucks to a distant location when one truck can do both jobs! The D6064 allows residential pick-up on a commercial front-loader. For every job, Perkins has the right tool.

## Features and Benefits

Year after year, you can always count on Perkins to carry the widest assortment of cart lifting products and customized equipment.

- ◆ Pneumatically controlled lower latches means no hydraulic tap-in required
- ◆ Control valve included, just run an air line
- ◆ Lift one or two residential carts at a time
- ◆ D6064 features fork pockets for easy removal
- ◆ D6064b may be permanently fixed in place
- ◆ Does not interfere with commercial pick up
- ◆ ISO 9001 manufacturer
- ◆ National Service technicians for product support
- ◆ Fully staffed engineering department for custom applications

## Specifications

- Compatible to any ANSI Type B carts, 30-96 gallon in size
- Safety Yellow powder-coated finish
- Pneumatic lower latch
- Pneumatic control valve included
- UHMW upper saddle & lower stop
- 1 year limited warranty
